2027 YEAR 9
STATIONERY REQUIREMENTS

Stationery and Subject Requirements
General stationery items and Compulsory Subject requirements will need to be purchased by individual students/parents/carers prior to the commencement of school and are not part of the Student Resource Scheme.

It is advisable to purchase the requirements for the Elective subjects after the student has commenced school as students will not be advised of their chosen Elective subjects until after they commence school. With different individual pathway subjects, the students will select from Technology and The Arts in each Semester.

An itemised list of all requirements is provided over the page.

A4 Exercise Books/Folders
It is recommended that students have a separate lined A4 Exercise book for each subject. (Some subjects like History and Mathematics require an A4 Exercise book not a folder, as the notebook is collected regularly for marking). If the student uses a single folder, please ensure there are separate divisions within the folder for each subject. Experience has shown that the work/notes quickly become mixed up and are often lost if there are no separators. It is useful to have a display folder or ring binder per subject to collect handouts/tests, etc.

Clothing Requirements
The school dress code requires fully enclosed footwear to be worn at all times. This is a workplace health and safety requirement.

Student Resource Scheme
Parents/carers are directly responsible for providing textbooks and other resources for their children while attending school. A Student Resource Scheme enables parents to contract with the school for the temporary use of textbooks and other equipment and to purchase consumables and materials for their children in return for a specified fee. It is designed to reduce the costs of supplying textbooks and other resources to parents through bulk purchasing. Please refer to the Student Resource Scheme Terms and Conditions for further information.

Computer Policy
It is essential that students comply with the school's *ICT Network - Acceptable Use Policy.* If students lose computer access, their results could be affected. A copy of the Policy is available in the enrolment package.

BYOx Policy
Students in year 9 are encouraged to participate in the Bring Your Own Device Program (BYOx). We believe that it is vital our students become members of the 21st Century digital economy, and a key part of this learning will take place through digital technology at YSHS. Please refer to the school website for more information - https://yeppoonshs.eq.edu.au/curriculum/bring-your-own-device

GENERAL STATIONERY ITEMS	
Blue, Red and Black Biros	Eraser
2B Pencils	Ruler
Colouring-in Pencils	Glue
Sharpener	Scissors
