Students and parents can use these resources to learn about the assessment practices and outcomes for General subjects (including alternative sequences (AS) and Senior External Examination (SEE) subjects, where relevant) and General (Extension) subjects. Click on the teaching tab to view the yearly reports.

Information about the external assessment is located at this link <https://www.qcaa.qld.edu.au/senior/assessment/external-assessment>.

Depending on students' individual circumstances, their SEP will comprise one or more of the following documents:

## Senior education profile for Year 12 students

Students completing Year 12 in Queensland from 2020 will be issued with a senior education profile. Included in this profile could be:

### Senior Statement

The Senior Statement is a transcript of a student's learning account. The Senior Statement shows all QCE-contributing studies and the results achieved that may contribute to the award of a QCE.

If a student has a **Senior Statement**, then they have satisfied the completion requirements for Year 12 in Queensland.

### Queensland Certificate of Education (QCE)

The Queensland Certificate of Education (QCE) is Queensland's senior school qualification, which is awarded to eligible students, usually at the end of Year 12. The QCE recognises broad learning options and offers flexibility in what, where and when learning occurs.

### Queensland Certificate of Individual Achievement (QCIA)

The Queensland Certificate of Individual Achievement (QCIA) recognises the achievements of students who are on individualised learning programs. To be eligible, students must have impairments or difficulties in learning that are not primarily due to socioeconomic, cultural or linguistic factors.

**ATAR results will be released between 8 am – 9 am on Friday 13 December 2024.**
