Assemblies at Yeppoon State High School are held in either the Indoor Sports Centre, BOD Hall or the Performing Arts Building.

The International student meeting is on a Monday first break at 11.25am in the International Staffroom - F Block.

The purpose of the short meeting is to check in with how your studies, homestay and school life are going. At the meeting you can ask questions and share your thoughts and ideas. You will also be provided with updates on issues relevant to your studies, school events and upcoming items of interest.

9. What to do when

9.1. Late for school or class

Students who arrive late to school are required to attend administration student reception to report their arrival and reason for being late. Students will be provided with a printed late pass to be handed to their teacher. If returning to school, students must report to administration student reception to record their presence before returning to class. Students will be issued with a returning to class pass to be handed to their teacher.

9.2. Leaving school during the day

A leave request from administration is required for students who need to leave the school during the school day. Parents and carers are required to phone in their leave request which includes a reason, time of departure and time of return (if applicable) before school commences at 8.50 am. The leave request allows the students to leave the classroom to meet their parents and carers in administration where they will be signed out and issued with a leave pass. Administration staff are not able to personally deliver messages throughout the day unless a critical emergency, and rely on the school's paging system to advise students during breaks if they are required to come to administration. Only persons registered on a student's account as a contact are able to collect a student from school.

9.3. Feeling sick or unwell

Students who are feeling sick or unwell are required to inform a teacher during class time and will be issued with a note to go to the sick bay in Administration. At break time students are required to go directly to the sick bay in Administration where a staff member will phone home if required.

9.4. Wanting to change subjects

All Year 7 and 8 students are rotated through the elective subjects on offer at Yeppoon State High School and therefore there are no subject changes. Students in Year 9 and 10 can select two elective subjects with an additional two backup elective subjects should the first two preferences not be available. There are no subject changes in Year 9 and 10. Subject changes are limited in Year 11 and 12 due to the nature of the Queensland Certificate of Education rule requirements. Once a student commences Unit 3 of a course, they are not able to change subjects. This usually starts in Year 11 Term 4 for most courses.

9.5. Changing address or contact details

International students are to inform the International Homestay Coordinator of any change of address or contact details.

9.6. Wanting to see a Guidance Officer

International students are to inform the International Homestay or Student Coordinator if they require a meeting to be arranged with the school Guidance Officer.

9.7. Lost property

Lost property can be found at the BOD hall or administration student reception. Please ensure your child's clothing and personal items are labelled so that in the event of an item being lost, we can endeavour to return the item to your child. Students should not bring valuable personal items to school.

9.8. Toilet access during class time

Students are required to inform their teacher during class time if needing to go to the toilet.

10. Accommodation and welfare

Care arrangements

While studying you must live with:

- a parent, legal custodian or Department of Home Affairs (DHA) approved guardian; or
- an approved homestay provider, if you are enrolled in high school, even if you turn 18 before completing your course.

You must not change these arrangements unless we give you written approval.

You must report any serious or urgent threat to your welfare to us immediately.

If you live with a Department of Homes Affairs approved guardian to provide for your accommodation and welfare, we will communicate with that guardian on all matters to do with your enrolment and schooling (including welfare matters) as if the guardian is your parent. You can read more about EQI's Welfare and accommodation in the following documents:

- [Standard terms and conditions](#)
- [Accommodation and welfare](#)

11. Living with a homestay family

Your homestay family plays an important part in your time in Australia. They have been carefully selected and will be eager to welcome you into their home. It may take some time for both yourself and your homestay family to settle in, so please take the time to develop this relationship as it will play a very important part in your happiness and success.

It is important to establish clear expectations from the beginning. If you are unsure about how things are done or what to do, make sure you ask. Your homestay family is there to give you the opportunity to learn about Australian culture and assist you in any way that they can.

Following are some suggestions on what to ask your homestay family.

- What would you like me to call you?
- What do you expect me to do daily?
- Where do I put my clothes that need washing?
- Can I use the washing machine or iron at any time?
- Can I help myself to food and drink at any time?
- Can I move my bedroom furniture around if I wish?
- Is there a special getting up time on weekends?
- Is there a bedtime?
- Can I invite friends around?
- What are the rules for using the telephone?
- What are the rules for using the internet?
- What time am I expected home on the weekends?
- Can I use household appliances when I wish?
- When and how loud can I play music?
- What are the general procedures in the household?

The way of life in Australia may be different from how you live in your country. Expectations and the degree of independence may differ and your homestay family will try to understand these differences. You also need to try and understand the differences so that you all have a good homestay experience. If you feel you are being asked to do too much or that rules are unreasonable in your homestay, talk to the International Student Coordinator, who will discuss your concerns with the family.

When living in a homestay you must:

- respect members of the family, their property and the home environment;
- participate actively as a member of the household;
- take responsibility for your own behaviour;
- comply with the household rules;
- comply with the homestay provider's decisions about your actions and welfare, including outings and curfews;
- have a mobile telephone and carry it on your person when traveling; and
- keep the homestay provider informed of your whereabouts, and remain contactable by them, at all times.

If you fail to meet these standards, we may consider your conduct to be unsatisfactory behaviour and may cancel or suspend your enrolment, or we may withdraw approval of your welfare arrangements. This may affect your student visa.

If you want to live with a different homestay provider, you should talk to the Homestay Coordinator and the school Guidance Officer. We will not approve new homestay arrangements within the first four weeks of your stay unless there are exceptional circumstances.

If we are required to move you to a different homestay, we will generally give you at least two weeks' written notice. In exceptional circumstances (for example, if we are concerned about your safety), we may move you immediately.

If your homestay provider is temporarily unable to provide homestay for you, we will arrange for you to be temporarily placed with another homestay provider.

Curfews

You are required to comply with curfew times set by EQI while living in your homestay.

12. Culture shock

Culture shock refers to the emotional and psychological reactions to an unfamiliar culture and environment.

For Overseas students, culture shock is often uncomfortable and disorienting. Although culture shock can be positive in some ways, it's important for students to understand what culture shock is, what causes it, and how to manage its effects.

Some of the signs of culture shock include:

- feeling isolated
- increasing frustration with your host country, the school and host family
- irregular sleep patterns
- spending a lot of time alone in your room
- you are easily upset and can't concentrate at school.

Culture shock can be described as consisting of at least one of four distinct phases: honeymoon, negotiation, adjustment and adaptation.

1. Honeymoon phase

The first stage of culture shock is usually positive. During the honeymoon phase the differences between the old and new culture are seen in a romantic light. For example, in moving to Australia to study, you might love the new food, the pace of life, and the locals' habits. During the first few weeks most students are fascinated by the new culture.

2. Frustration/ Distress phase

After some time (usually around three months, depending on the individual), differences between the old and new culture become apparent and you may feel uneasy. Excitement may eventually give way to unpleasant feelings of frustration as a person continues to experience unfavorable events that may feel strange. Language barriers, traffic safety and food differences may heighten the sense of disconnection from the surroundings.

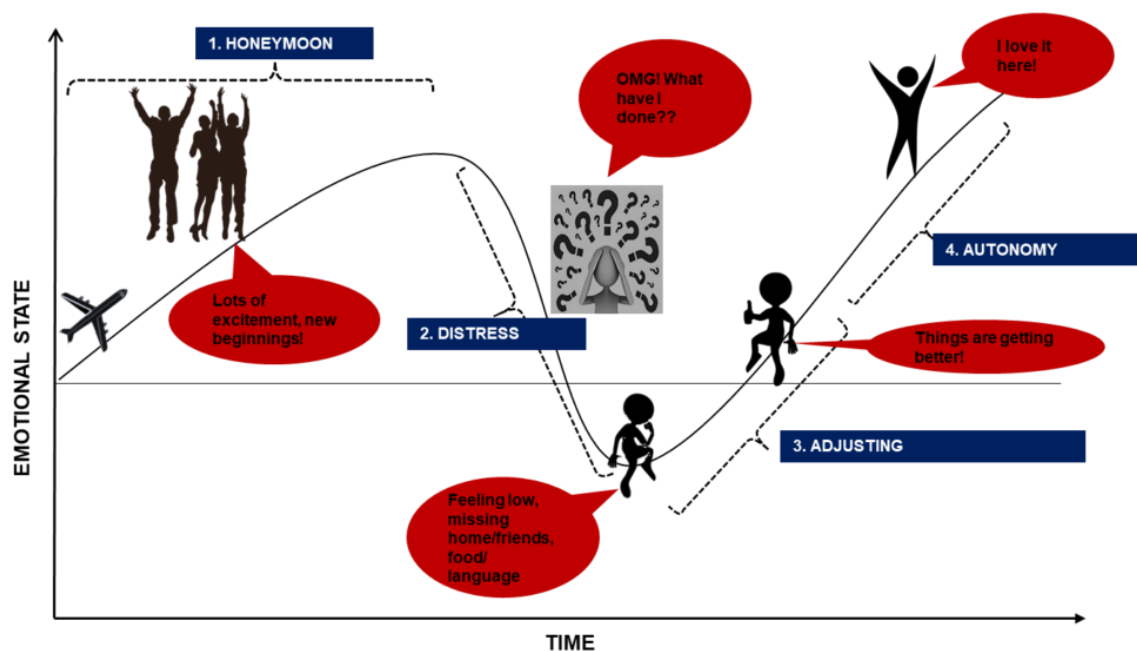

During this phase students adjusting to a new culture may feel lonely and homesick because they are not yet used to the new environment and new people they are meeting.

3. Adjusting phase

After some time (usually 6 to 12 months), a person grows accustomed to the new culture and develops routines. During this phase a person knows what to expect in most situations and the host country no longer feels very new. During this phase people develop problem-solving skills for dealing with the culture and begins to accept the culture's ways with a positive attitude. The culture begins to make sense, and negative reactions and responses to the culture are reduced.

4. Acceptance/ Autonomy phase

Individuals in the acceptance phase are able to participate fully and comfortably in the host culture. Mastery does not mean total conversion; people often keep many traits from their earlier culture, such as accents and languages.

If you think you are feeling culture shock, here are some things that you can do:

- Be patient with yourself as culture shock is a normal reaction to a changed environment.
- Talk about how you are feeling with your host family, friends or a member of the international team.
- Keep in contact with your loved ones back home.
- Socialise and make new friends.

It is important to remember the following:

- Culture shock is a perfectly normal part of the study abroad experience.

- It is important to remember that it will pass.
- Use the experience as an important learning opportunity, helping you to become versatile and adaptable to change. It will equip you with valuable life skills that are some of the greatest benefits of studying abroad.
- Step outside of your comfort zone, make new friends, and take full advantage of the once-in-a-lifetime experiences while you can.
- Once your study abroad experience is over, your family and friends will be ready and waiting to hear all about your adventures.

The international team are here to support you so that you meet your academic goals and have a wonderful study and homestay experience while at Yeppoon State High School.

13. Contact details

You must let your school know your residential address in Australia within seven days of arriving in Australia. You must also tell the school of any changes of residential address within seven days. Failure to do this may affect your student visa.

We also need your current telephone number and email contact details, as well as the contact details of your parent/s/legal custodians and emergency contact person/s. Any changes need to be given to us within seven days.

14. EQI Standard Terms and Conditions

Before you arrived in Australia you were provided with a copy of the [EQI Standard Terms and Conditions](#). The Standard Terms and Condition outline EQI policies that relate your responsibilities and rights and EQI's responsibilities and actions required to be taken during your course of study in Queensland.

If you have not read the Standard Terms and Conditions please do so. The Standard Terms and Conditions are available in the following languages:

- [Simplified Chinese](#)
- [German](#)
- [Italian](#)
- [Japanese](#)
- [Vietnamese](#)

15. Visa Conditions

Attendance

Yeppoon State High School's attendance policy aims to ensure students are actively engaged in school and attend every day to ensure optimal individual outcomes and student engagement. We have high expectations of student attendance. Once you have enrolled at Yeppoon State High School it is your responsibility to ensure that you are at school every day and that you arrive on time, ready to start class at 8.55am.

You are expected to maintain 100% attendance unless you are sick. You should always tell the school if you cannot attend for all or part of the day.

In the event that you are going to be absent from school ask your homestay parent to notify the school on the day of the absence via the absentee line 07 4925 1307 or email studentabsences@yeppoonshs.eq.edu.au stating your name and class, the name of the person reporting the absence, the reason for the absence and the expected return date.

The school will record your attendance or absence every day. All absences are recorded on your school report. Electronic rolls will be marked every period. An SMS message will be sent to your homestay parents/carers of an unexplained full day absence.

It is a condition of your Sub-class 500 (schools) visa that you maintain satisfactory attendance during your period of study. Commonwealth law requires EQI to be proactive in notifying and counselling Overseas students who are at risk of failing to meet attendance requirements. EQI is required by law to report Overseas students who have breached attendance requirements.

Table 1 – Absence codes for full or part day absence

Type of Absence	Code	Explanatory notes
Entire day	A	Student was absent entire day.
Early (No Penalty)	E	Student left early, but within the final two hours of scheduled schooling. This will not count as an afternoon/half day absence. If the student left earlier than two hours prior to the end of the scheduled school day, this will count as an afternoon/half day absence (see “P” code).
Late (No Penalty)	L	Student arrived late, but within two hours of scheduled schooling. This will not count as a morning/half day absence. If the student arrived after the first two hours of the scheduled school day, this will count as a morning/half day absence (see “M” code).
Morning	M	Student was absent for the morning. This will count as a half day absence.
Afternoon	P	Student was absent for the afternoon. This will count as a half day absence.

At risk of failing to meet attendance requirements

In the [EQI Standard Terms and Conditions](#) you are considered to be at risk of failing to meet attendance requirements if:

- you are absent for five consecutive days or more;

- your attendance falls to 90% of your course contact hours in any [school term](#); or
- if the school has concerns about your attendance record.

Your International Student Coordinator will require you to meet with them about your attendance record and provide evidence explaining your absences (such as medical certificates) if they are concerned.

If your attendance falls to 85% of your course contact hours in any semester, we will give you and your parents/legal custodians and your Department of Home Affairs approved guardian (DHA approved guardian) a written warning.

Unsatisfactory attendance

If you do not attend at least 80% of your course contact hours, EQI will notify you in writing of their intention to report you to authorities for not achieving satisfactory attendance. EQI may exercise discretion not to report you if:

- you provide evidence of compassionate or compelling circumstances explaining your absences;
- EQI are satisfied that, in all the circumstances, it is reasonable not to report you; and
- your attendance record is at least 70% (if your attendance falls below 70%, EQI is required to report you).

If you receive a notice of EQI's intention to report you to authorities, you have the rights set out under the Appeals Policy section of the [EQI Standard Terms and Conditions](#) and [Complaints and Appeals Process](#).

You can read in more detail about your attendance requirements at:

- [EQI Standard Terms and Conditions](#)
- [Policy and Procedure Register](#)
- [EQI Attendance – Subclass 500 \(schools\) visa procedure](#)

Course progress

You must maintain satisfactory course progress for each study period as required by us and outlined in the [Course Progress Procedure](#). Maintaining satisfactory course progress is a condition of your student visa. If your course progress is not satisfactory, EQI report it to authorities and your student visa may be cancelled.

At Yeppoon State High School we provide written reports to you and your parents or legal custodians every term.

You must complete your course within the time set out in the Confirmation of Enrolment that EQI sent you.

EQI may extend the time to complete your course only if:

- there are compassionate or compelling circumstances;
- your course load is reduced because you are having difficulty making satisfactory course progress; or
- a deferral or suspension of study is approved, see the Deferral, Suspension and Cancellation Policy section, of the [EQI Standard Terms and Conditions](#).

Where there is an adjustment to course length you must contact the Department of Home Affairs to seek advice about any potential impacts on your visa, including the need to obtain a new visa.

Unsatisfactory course progress

Yeppoon State High School will monitor your workload and your results to ensure you complete the course on time. We will also assist you if you are having difficulties. If you are at risk of not meeting course progress requirements, we will implement suitable intervention strategies with enough time for you to achieve satisfactory course progress.

Formal intervention

If you are not making satisfactory course progress, the principal will give you and your parents or legal custodians a written warning. You will be required to meet with the principal to develop a plan to improve your performance.

If your next study period report indicates continuing unsatisfactory course progress, EQI will notify you in writing of our intention to report you to authorities for breaching the requirement of your visa to achieve satisfactory course progress.

EQI may notify you earlier if, in their opinion, you will not be capable of meeting the course requirements. If you receive a notice of EQI's intention to report you to authorities, you have the rights set out under the **Appeals Policy** section of [EQI Standard Terms and Conditions](#)

You can read in more detail about your attendance requirements at:

- [EQI Standard Terms and Conditions](#)
- [Course progress – Subclass 500 \(schools visa procedure\)](#)

If you are experiencing difficulties please see the International Student or Homestay Coordinator

- To open an Australian bank account you will need to present your passport and possibly additional information.
- The majority of banks and building societies have internet banking, telephone banking, Automatic Teller Machines (ATM's) and branch access.

Some banks are now offering an app that you download to your smartphone to do your banking.

- Once your account is opened you will receive in the mail a card and a pin code Personal Identification Number code (PIN Code). You should **NEVER** disclose your PIN code to anyone.
- For your parents to transfer funds into your account you will need to provide them with the local branch identification number, your account number, bank contact details and swift code. Check with your bank as to their process and requirements).
- Credit cards such as Visa, MasterCard and American Express are widely accepted across Australia.
- Check with your bank as to opening hours during the week and on weekends.
- Do not carry large sums of money at school or when out in public.

30. Transport

There is a bus service that caters for students attending Yeppoon State High School. If you are travelling to school by bus, your host family will be able to assist you with this. A fare is payable at the time of travel or you can purchase a bus pass from Youngs Bus Service and add credit when required.

Please refer to the Young's Bus Service website for transport timetables to Yeppoon State High School <https://youngsbusservice.com.au/>. The closest bus interchange is located at Tabone Street (500 metres from the school).

31. Driving

You must refer to the [Standard terms and conditions](#) and contact your International Student and/Homestay Coordinator for further advice and approvals when considering:

- driving a vehicle
- becoming a passenger in a vehicle driven by a driver with a learner (L plate) driver's license or provisional (P plate) driver's license.

32. School sporting house groups

There are four sporting house groups at Yeppoon State High School.

33. Extra-curricular activities

There will be opportunities for you to participate in school organised extra-curricular activities including sports and music. Please consider participating in extra-curricular activities. It's a great way to make Australian friends and get to know some different teachers.

34. Australian families

In Australia there is no typical family and families differ widely from each other in many ways. This is in part due to Australia being a *multicultural* society i.e. many cultures from all over the world choose to settle in Australia.

Australian families *usually* have a mother and a father, children and pets. It is also common to find *single parent* families with either the mother or father responsible for keeping the home and caring for children.

It is expected in most Australian homes that people living in the home help with household tasks. These tasks may include helping with food preparation and cleaning up, keeping their own bedroom clean, washing and ironing their own clothes.

35. Australian teenagers

Australian parents expect to be told where their teenagers are going, who they are going with, what they will be doing and the time they will be done. Homestay parents expect the same courtesy from their Overseas student. It is extremely important that international students let their homestay parents know these things also. This will avoid a lot of worry.

It is also polite to tell homestay parents in advance if you will not be home for dinner. Most parents set a time by which their children must return home, and also usually set a

time for going to sleep. Some Overseas students find this difficult because they usually stay up very late. Australians generally get up early in the mornings. Australian teenagers participate in a wide range of parties, using the computer, visiting friends and shopping.

36. Mealtimes

Breakfast

You will be expected to make your own breakfast with food provided by the homestay family. In Australia, the typical breakfast can include;

- **Cereal** (a carbohydrate consisting of grains such as wheat, oats or corn) served with milk
- **Toast** (sliced bread that is heated in an electrical appliance called a toaster) with toppings such as peanut butter spread, Vegemite or cheese
- **Eggs** that are cooked and served with toast

Ask your homestay family what food is available for breakfast and ask them to show you how to prepare it. Let your homestay know if there are certain foods that you like or dislike so that they know what to buy when shopping. Please wake up early enough to allow yourself time to prepare a nutritious breakfast before leaving for school, and remember to clean up afterwards.

Lunch

It is most likely that you will also be required to *make and pack* your own school lunch using food provided by the homestay. In Australia, it is common for lunches to consist of sandwiches (two slices of bread with fillings such as spreads, cooked meats or salads), something sweet like biscuits or cake, a piece of fruit and a cold drink. Sometimes families give students leftover food from dinner and it can be heated up using the microwave at school. Talk to your homestay family about the choice of foods available for lunches, and if you have any problems please see the Homestay Coordinator.

Dinner

Dinner time varies depending on the age of the children living in the home and the hours the parent/s work until, but generally dinner is served anywhere between 5.30pm and 7.30pm. Food that is served for dinner varies greatly, however dinner usually consists of a kind of meat (such as chicken, fish, beef, lamb or pork), a variety of vegetables (potato, beans, peas, broccoli, carrots) and a serve of a carbohydrate (rice, pasta, potato, couscous or bread).

Food is usually served on an individual plate, rather than shared dishes in the centre of the table. People eat off their own plate. Generally, all members of the family sit to eat the meal together and talk about the day's events. It is important to participate in *table conversation* as this is an excellent chance for you to improve your conversational English and get to know your homestay family better.

Expected table manners

Do:

- Wait until everyone is seated before eating
- Eat with your mouth closed
- Make a positive comment on the meal

Don't:

- Talk with your mouth full
- Eat noisily – Try not to slurp your food

- Leave the table without asking, or thanking the cook

Food customs vary greatly between cultures, so ask your homestay parent if you are unsure about what is expected at the dinner table. Eating dinner with your family should be an enjoyable experience. Remember, it is okay to ask for more food if you are still hungry.

37. Socialising with friends

Hopefully you will make many friends while you are in Australia, and want to go out with them on the weekends. Please be considerate of your host family and always ask for permission, let them know where you are and when you will be home. As a general rule, socialising should be limited to weekends, as week nights are for study and to spend with your host family. If friends ask you to stay over, discuss this with your host family. They may also allow you to have friends to stay, but remember not to inconvenience your host family by always having your friends in the house. Please ask your homestay parent before inviting friends over to your homestay.

Please remember to complete a travel form for overnight travel.

38. Expressing emotions

Australians tend to express their emotions openly and are not usually embarrassed about showing others that they are happy, sad, etc.

Many Australians find it quite acceptable to openly disagree with another person's opinion, as long as this is done in a non-aggressive and reasonable manner. In most cases, it is also considered acceptable to discuss personal problems with other people, especially friends, family and trained professionals (i.e. guidance officers in schools).

39. Communication

It is normal to feel nervous when you first meet your homestay family. You will begin to feel happier when you get to know the family better. Talking to your homestay family about any worries or questions you have when you first arrive will help you adjust to living in a new country.

If you do not speak English well, you can still communicate by using the following;

- Use Google Translate or an electronic dictionary
- Draw a picture of what you want to say
- Use hand gestures or mime
- Ask another student to interpret for you

Spend some time each day with your homestay family. You can do this by watching a TV show with them, helping with dinner preparation, asking questions about Australia or talking about your home country. Don't spend all of the time in your bedroom on the computer. It is very important to make the effort to get to know your family and build a friendship with them. If you have difficulty communicating with your family please see the Homestay Coordinator for some advice and guidance.

40. Manners

Manners are very important in Australian culture, and parents encourage their children to say "please" and "thank you" when they ask for something. They also encourage them to apologise (say "I am sorry") when they have done something wrong, or have upset

someone. When asking for something, please remember to say, “Can I *please* have ...” and say “thank you” when you receive it.

41. Transport to school

If you live close to school, you may walk to school or ride a bike (please remember you are required by law to wear a helmet whilst riding a bike). Before you ride a bike to school, first ask your homestay parent to show you the designated bikeway to ensure this travel is safe. If you live further away, you can catch a bus or your host parent may drive you.

42. Swimming

Before engaging in water sports (for example swimming and surfing) all international students are required to complete a water skills assessment. Please contact your International Student Coordinator to arrange a water skills assessment.

Please also see the EQI [Non-routine travel and activities for homestay student's](#) procedure

43. Surf and Beach safety

Queensland has some of the most beautiful beaches in the world. However, they can be dangerous for people who are not used to the ocean. Understanding the ocean is very important – the more you know about how waves, wind and tides affect conditions in the water, the better able you are to keep yourself safe.

Surf Life Saving Australia's 10 Surf Safety Hints

1. Always swim or surf at places patrolled by surf lifesavers or lifeguards.
2. Swim between the red and yellow flags. They mark the safest area to swim.
3. Always swim under supervision or with a friend.
4. Read and obey the signs.
5. Don't swim directly after a meal.
6. Don't swim under the influence of drugs or alcohol.
7. If you are unsure of surf conditions, ask a lifesaver or lifeguard.
8. Never run and dive into the water. Even if you have checked before, conditions can change.
9. If you get into trouble in the water, don't panic. Raise your arm for help, float and wait for assistance.
10. Float with a current or undertow. Stay calm. Don't try to swim against it. Signal for help and wait for assistance.

Sun safe

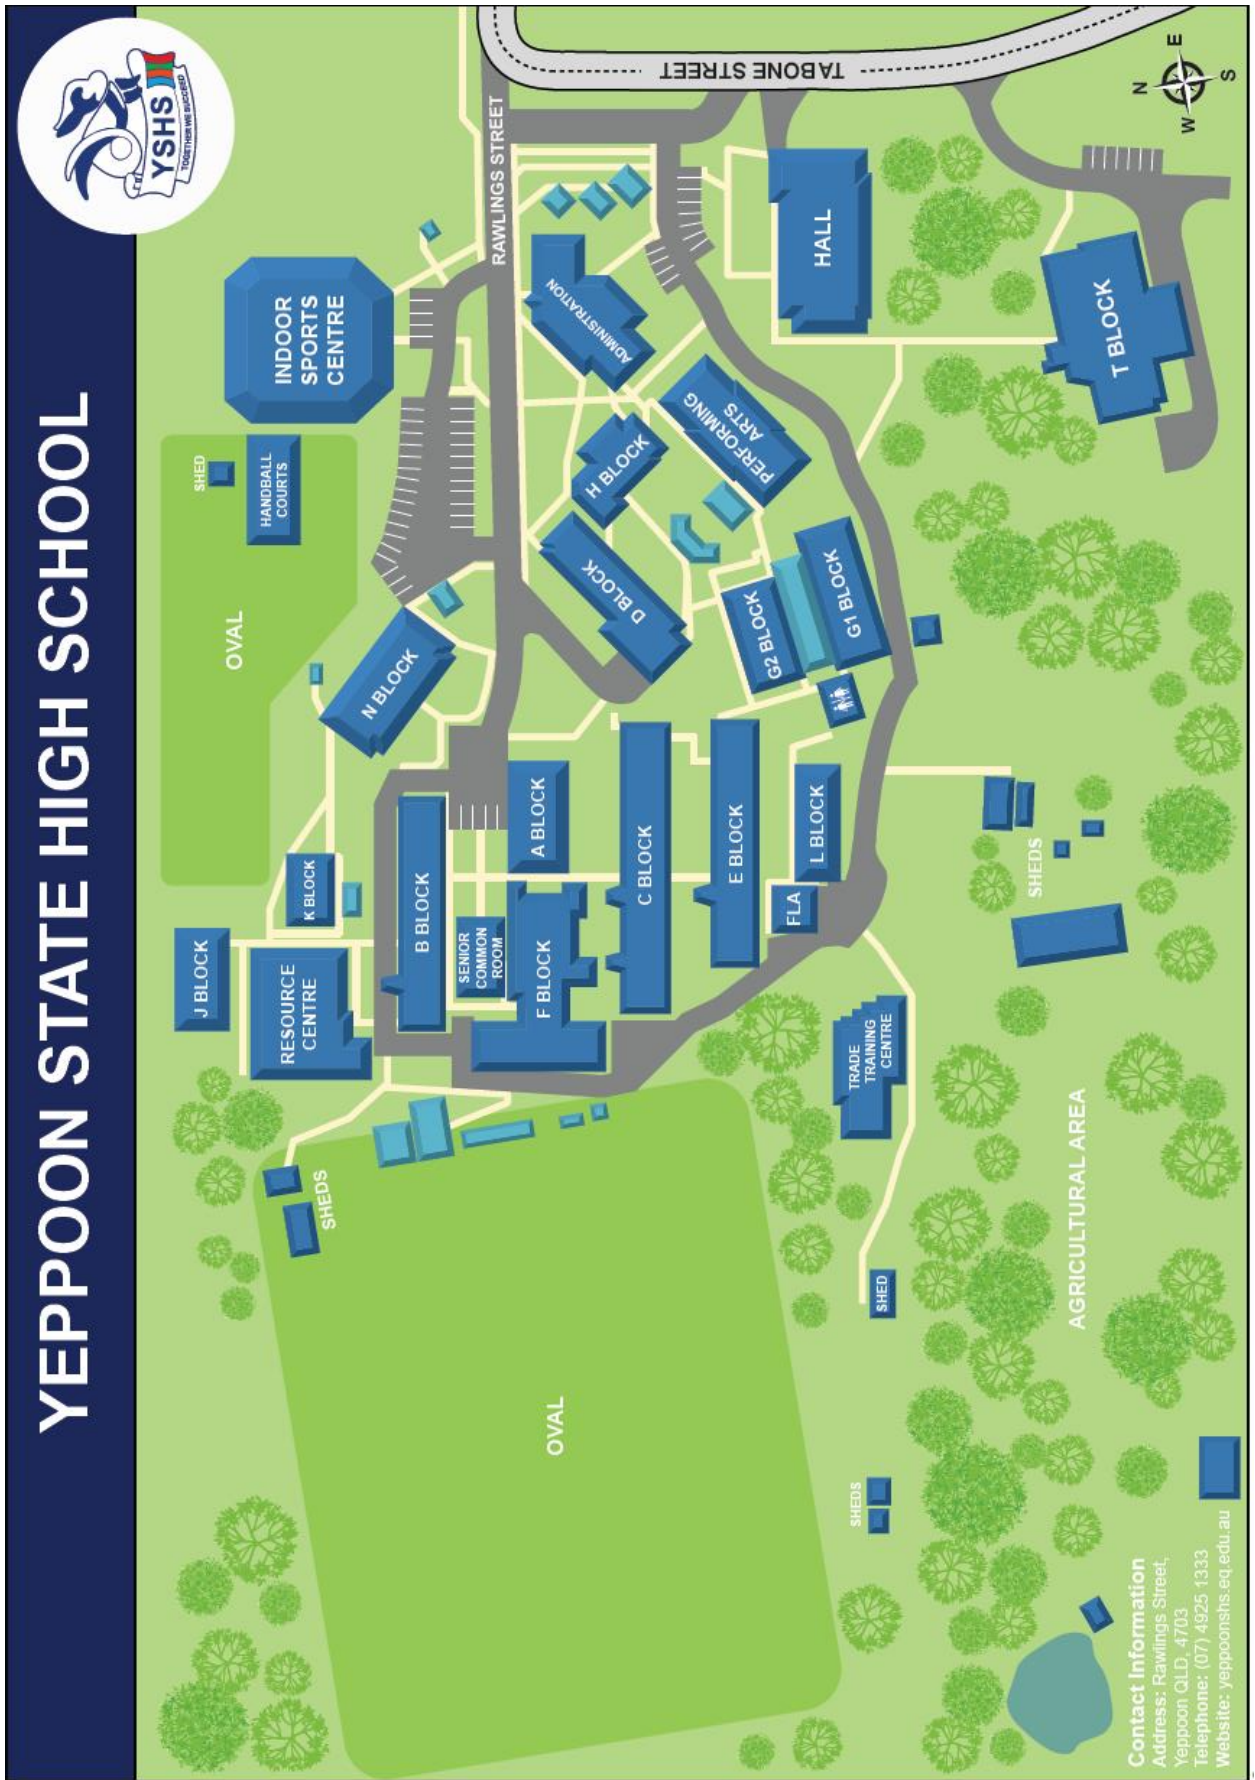

Most of the sun's dangerous UV radiation (as much as 70%) occurs in the middle of the day, so if you are heading outside then you need to take particular care to seek shade, cover up, wear a hat and use sunscreen. Drink plenty of water in hot weather so as not to become dehydrated. Be sun safe by:

- avoid direct sun when possible
- drink plenty of water
- wear a long-sleeve shirt, wide brim hat and sunglasses
- regularly apply an SPF 30+ high protection sunscreen.

44. Road safety

Australian roads can be quite busy during peak time (mornings and afternoons are). It is important to take care when crossing roads, and always cross at intersections with traffic lights and/or pedestrian crossing zones. In Australia we drive on the left-hand side of the road and as such, you will need to **look right, look left, and then look right again before crossing.**
