Student Short Response Questions

These questions form a key part of the selection Process, please answer each question with responses of 50 words.

What excites you most about being part of the Creative Industries Excellence program?

Tell us about the last performance or artwork you created. What did you enjoy most about making it?

What is a new creative activity or art form you'd love to try or learn more about, and why does it interest you?

How do you think the Creative Industries Excellence program will help you reach your goals in the future? What do you hope to learn or achieve through this program?

Excellence Program Conditions

ENROLMENT:

Students are selected for Excellence Programs based on comparative merit. Students must consistently meet academic standards and show continuous progress in previous years, as well as demonstrate a passion and willingness to be part of the Excellence Program for which they are applying.

ELIGIBILITY:

Each Excellence Program has explicit criteria for entry, performance and other attributes. Please refer to the individual Excellence correspondence on the school website for further information.

TRIALS/INTERVIEWS:

Candidates may be invited to attend trials or interviews conducted by specialist staff (please note this may differ from previous year's selection practices and processes).

CODE OF CONDUCT:

Students are expected to conduct themselves and maintain high standards of behaviour and academic progress, exhibit scholarly behaviours, meet 90% attendance, and actively participate in all class, internal and external activities. From the start of the academic year, academic progress and students behaviour are monitored. Where progress and/or behaviour are not maintained to the expected level, either because of students' effort or ability to keep up with the program, students can be withdrawn from the Excellence Program at any time upon referral to the Principal.
